APPEDRO30

IP20 Diffused beam 220-240VAC CRI 90 MADE IN ITALY

A refined, essential geometry houses a sophisticated lighting system, where light gently reflects off secondary surfaces to illuminate the space. Combining formal simplicity with soft, ergonomic, and efficient performance, it offers an innovative take on a classic concept.

## **Ecodesign and Energy Labelling**

This luminaire contains a light source with the energy class  $\boldsymbol{\mathsf{E}}$ 

Power supply replaceable by a qualified specialist.

Nominal flux (Im) of the products are estimated on the LED sources, with tolerances defined by manufacturers.
