

Cloudy bridges design and art, creating a striking light sculpture. Five asymmetrically arranged spheres, wrapped in semi-transparent fabric, evoke the softness of a floating cloud. More than a pendant lamp, it harmonizes form and diffused light, becoming a dynamic, poetic focal point in any space.

Color

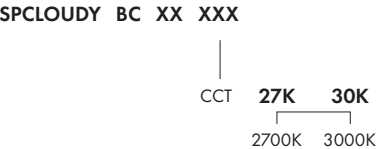

White

Materials: Metal, PMMA, fabric

Light Source: LED (led driver included)

CCT
2700K _ 6842 lm
3000K _ 7602 lm

Code Construction

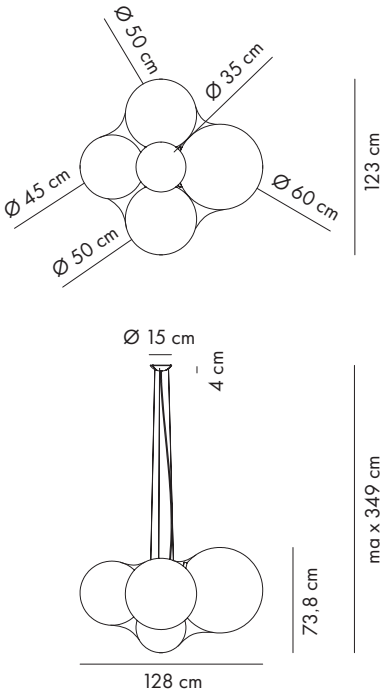

Ecodesign and Energy Labelling

This luminaire contains a light source with the energy class **E**

Light source replaceable (LED only) by a qualified specialist of Axolight.

Power supply replaceable by a qualified specialist.

Nominal flux (lm) of the products are estimated on the LED sources, with tolerances defined by manufacturers.
