

A few carefully chosen elements come together with effortless elegance, creating refined objects where attention to detail is paramount. Blown glass spheres transform into pure light, gently resting on colored metal discs that seem to float in space, while advanced technology operates seamlessly within.

Materials: Metal, glass

Light Source: LED (led driver not included)

CCT (per single pendant)
2700K _ 450 lm
3000K _ 500 lm
